

EXAMPLE OF A VISA FORM DELIVERY RECEIPT (RECIBO DE ENTREGA DE REQUERIMENTO – RER)

- ▶ The image below is just an illustration. It does not reflect the document actual size.
- ▶ The real document should be printed on a letter size white sheet (8 in × 10.5 in). Use a good quality printer.
- ▶ For each individual application, the “RECIBO DE ENTREGA DE REQUERIMENTO” (RER) must come on top of all the supporting documents (letters, bank statements, etc.).
- ▶ A stapler may be used to join sheets of an individual application. **Do not** staple the certified check or money order though.
- ▶ The RER is generated after completion of an online application form available through <https://scedv.serpro.gov.br>.

●●● APPLICATION NUMBER
Your application number will appear here. Save it for future reference and to follow the status of your application online after you submit your package.

●●● PHOTO
This box is simply a placement guide for the 2x2 inches photo of your face. **Do not** cut the picture to make it fit inside the box. The photo must be glued between the two bar codes, covering the box completely. **Do not** use staples or tape.

●●● COUNTRY OF BIRTH
Country where you were born (not necessarily country of current nationality).

●●● SIGNATURE
The applicant must sign in the box (not crossing the boundaries). If the applicant is under 18 years old, the adult(s) responsible must sign on his/her behalf.

●●● CONTACT INFO
Write down the name of any person capable of giving information about the application (it could be the applicant himself) and provide a telephone number (preferable a mobile phone).

●●● BAR CODE
Do not write on, hide or alter the bar codes. Make sure you use a good quality printer so that the bar code is “readable”.
